

## Times Tables Rock Stars

### **A Parent's Guide to Times Tables Rock Stars**

When it comes to times tables, speed AND accuracy are important - the more facts your child remembers, the easier it is for them to do harder calculations.

Times Table Rock Stars is a fun and challenging programme designed to help students master the times tables.

To be a Times Table Rock Star, you need to answer any multiplication fact up to  $12 \times 12$  in less than 3 seconds!

**Message to Parents** World famous rock musicians are the best at what they do because they've spent hours practising guitar chords, writing music or playing on the drums. It's just the same with times tables – all Times Table Rock Stars need to practise and practise and practise. It's absolutely essential that your child does a little bit of times table practice every day. In our experience, short bursts of practice on a daily basis are more effective than spending hours once a week.

And this is where you come in. For your child to be fully motivated and for them to get the best out of the practice, they need your help and your praise, Reminders and support will help your child feel confident and motivated.

Over the course of the next few weeks and months, your child WILL get faster and more accurate with the times tables. All your hard work and theirs WILL make them a Times Table Rock Star!

## Logging in to Times Tables Rock Stars

- 1 Type [play.ttrockstars.com](https://play.ttrockstars.com) into your browser's address bar.
- 2 Click Login > School > Student
- 3 Enter the School Name.  

- 4 Enter your child's username and password.  

### Rock Status

It's helpful to understand that the quicker your child can answer a times tables question, the higher their Rock Status. Use this list as a guide to help your child work out their Rock Status:

≤ 1 sec/question = Rock Hero

≤ 2 secs/question = Rock Legend

≤ 3 secs/question = Rock Star

≤ 4 sec question = Headliner

≤ 5 secs/ question = Support Act

≤ 6 secs/ question = Breakthrough Artist

≤ 7 secs/ question = Unsigned Act

≤ 8 secs/ question = Gigger

≤ 9 secs/ question = Busker

≤ 10 secs/ question = Garage Rocker

> 10 secs/ question = Wannabe

### Single Player Game Modes:

**Jamming** – children select which times tables, how many questions and whether they want to practise just the multiplication and division facts, or both. Not timed. Player earns 8 coins per correct question.

**Gig** – Players can only complete this once per calendar month. 100 questions, starting with 10 questions on the 10s, followed by 10 questions on the 2s, 5s, 3s, 4s, 8s, 6s, 7s and 9s then 5 questions on the 11s and 12s. Player earns

**Garage** - the questions will only come from the times tables the teacher has set for the week. As pupils start to answer questions, TT Rock Stars works out which facts they take longer on and will give them more of these questions to answer. The Garage is best for getting quicker at a few facts. Players get 10 coins per question.

**Studio** - the questions in the Studio can be anything from 2x2 up to 12x12. TT Rock Stars calculates each the mean speed from their last 10 games in the Studio and translates into a Rock Status: Under 1 second per question to become a Rock God Under 2 seconds per question to become a Rock Legend Under 3 seconds per question to become a Rock Star Over 3 seconds is a Busker They earn 1 coin per question and the Studio is the place for them to set their best time across all the tables.

**Soundcheck** – 25 questions, testing all times tables, with a time limit of 6 seconds each. Player earns 5 coins per correct answer.

### Multiplayer Game Modes:

**Rock Arena** - The Arena allows players to compete against all other members of their Band (their Bandmates would need to join the same game in order to compete together). A new Arena game starts every 15 seconds and once the clock starts they race to answer more questions than the others. In the Arena, questions will only come from the times tables the teacher has set for the week, similar to the Garage. They earn 1 coin per correct answer.

**Rock Festival** - The Rock Festival games are open to players from around the world. Like the Arena, there is no limit to the number of players who can join a game; however, unlike the Arena, questions are selected at random from 2x2 to 12x12. Pupils might choose the Rock Festival if they were playing at home (and therefore couldn't easily synchronise playing against a classmate) or wanted to compete against others not in their Band. They earn 1 coin per correct answer.

**Rockslam** – Challenge someone from your school.
